Fide, quã a maioribus nostris auspicijs stabilivimus firmas, et constanter
perstare, et spe [illegible] maiorem opportune paratam esse. Qua de re magnificas
Deo, a quo bona cuncta procedunt, gratias agimus, cui ex animo
Rogamus, ut perseverantiae donum, salutis nostrae summopere necessarium
nobis, pietate sua largiatur. quod quidem fore nihil dubitamus;
Nam qui proprio filio non pepercit, sed pro nobis tradidit illum, quid
non ea nobis, quae animabus nostris sunt profutura, statim donabit,
vel donavit potius cum illo? Quare agite gratias cum Deo ac Patre
vestro, [illegible] sanctis precibus, et incorrupta ac immaculata vita, ac
eam vestram celestis gratiae, nihil enim nobis negabit, qui nobis semper [illegible]
ut nos ipsius et imitatores sibi habeat, et amet. At id nobis
grave sane et molestum accidit, quod is nobis [illegible] [illegible]

apparens [illegible] [illegible] tempestate [illegible] tutum portum

debet. Quare vobis mando, ut sicut a maioribus vestris
didicistis, magistratui vestro [illegible] in rebus iustis et
honestis obtemperare, monasterij [illegible] [illegible] ministros
[illegible] electione cum sua communione, ne detrectetis. Nam non

spnem; sed magis spernere, et reijcere audeamini, et ut uobis in Monasterio Vestro delinquentibus improbari et pelui, et fides ab in fidelis discernere possit, non parum ipse conv. si auste sua uobis et in re noluntas potent, cui et uos et iustam diligentiam commendauimus, mandauimusq. ut uos paterne, honeste, atq. ita tractet omnibus in rebus, ut filias, et sponsas [illegible] tractare oportet. Et quia Populorum salus [illegible] Pastoribus, et curatoribus potissimum pendet curabit is una uo ut improbi, et [illegible] quidam presbiteri [illegible] pessimo exemplo [illegible] cum moribus, et talia doctrina offendunt ex eius Prouincia amoueantur, et uita, ac doctrina [illegible] Populi [illegible] Hac quoq. in re uos, et Fratres [illegible] paterne sanctissimaq.
